

Join our friendly team of Support Services Volunteers in Great Yarmouth

Help us support even more people with dementia and their carers locally on Thursday afternoons.

The role involves engaging with people living with dementia during groups and day activities, by assisting them in joining in with social activities (board games, arts and craft, singing etc)

It is important you are willing to develop your knowledge of dementia, have good listening and communication skills and the ability to be calm, patient and caring.

We can provide ongoing support, training and any out of pocket expenses
