- Allotments

The Architect has been chased and a plan showing where the water pipe will be located has been sent to NPLaw at NCC and they have also been advised that the Parish Council has agreed to a rent increase after 10 years, that is if Mr Hirst requests it.

- Norfolk County Council maintaining the street scene and public rights of way

A letter from Norfolk County Council giving the Parish Council an option to carry out various works on behalf on Norfolk County Council.

An email has been sent in reply advising the PC would not be participating in the scheme and in their parish NCC should carry on their usual maintenance

- Great Yarmouth Borough Council £10k Grant

**~~HEMSBY WHAT WAS YOUR SAY FOR THE £10K~~**

On a very cold and snowy Saturday 27<sup>th</sup> November the village came out to vote, well 65 brave souls and a dozen or so children did. The results are as below with the £10,000 of funding potentially able to support 8 different projects across the village.

With a total sum of £10,000 for services reinforced by a further £3,880 for capital works funding should cover all of the proposed projects except the three that received the fewest overall points.

**HEMSBY WHAT WAS YOUR SAY FOR THE £10K**

That is the flashing speed sign, the hearing loop for the village hall and further planting around the village. The administration costs of the whole process to date has been limited to £40, to cover the use of the barn room. The Parish council gave a grant to cover the costs of the ideas forms and posters, while steering group members covered lots of incidental expenses.

Over the next few weeks the steering group will be looking to get the projects started. There will be a wide range of schemes going forward, seeking to draw in further support for our village. If you would like to be involved with any of the activities then please get in touch. Even if you didn't vote it's not too late to influence how the projects develop and help our community improve
