

NOTES FROM THE PARISH COUNCIL MEETING HELD ON 21 JUNE 2010

- Borough Councillor Weymouth

Reported on the sewerage flooding in the parish
28/5 in Waters Lane
29/5 Common Road

The third pump is now blocked and to free the system the pumping station it has to be turned off – the work will be carried out overnight. This will not happen for another week – this is due to staff cuts.

- Police

Their mobile unit will be in Kingsway Sunday 18/7

PCSO Goffin could not attend the meeting due to a community engagement his report for the last month is below:

Between the 18th May-18th June 2010 there have been 75 calls into the control room at Wymondham of which only 5 were emergency calls, 21 were from local holiday camps in Hemsby and 21 were not required to be attended by police.

A number of vehicles have been moved on from Beach Rd in Hemsby for parking on double yellow lines and strong words of advice given on each occasion.

While the Viking Festival is on we have been showing a presence even though a police presence was not requested.

There have also been no problems so far with the mini roundabout at Kingsway.

Over this period there have been 12 crimes in the Hemsby area of which 6 relate to holiday camps.

They are as follows:-

ABH x 2

BOTD x 2

Criminal Damage x 4

Malicious Wounding x 1

Domestic x 2

Arson x 1

If we require anymore please contact him.

06/10/0179/F replace and reposition domestic oil storage tank with wood fence around the tank with planting - granted

- Meeting with Doctors

The Hemsby Surgery handrail adjacent to the path is still waiting to be installed

Two new Doctors will be commencing their employment on the 4 October 2010.

- Play area

Hemsby Primary School sent a letter to the Parish Council and from this there has been a meeting with Parish Councillor Mercer, Hemsby Primary School Head and Great Yarmouth Borough Council and GYB Services Officers to discuss an additional piece of play equipment – a climbing frame suitable for older children and the condition of the equipment and play area.

The Officers feel there are no issues with the existing play area and equipment.

The swings can squeak due to being exposed to the weather, this is not a defect but the nature of outdoor equipment and there is nothing to oil because the movement is not metal on metal but has a nylon layer – they should go to 360 degrees around the frame this is due to the fitting.

A climbing frame including the installation would cost around £28,000 – at present there is no funding available to purchase, however Great Yarmouth Borough Council and Parish Council will carry on investigating various options.

A cycle rack is to be installed as a safety measure.

The next Parish Council meeting will be 19 July 2010 to be held in the Parish Office, Kingsway, commencing at 7 30pm.
