

SHIRLEY ANN WEYMOUTH
BOROUGH COUNCILLOR
EAST FLEGG WARD
(covering the villages of Hemsby Winterton & Somerton)

A PROACTIVE AND POSITIVE COUNCILLOR TO
ACT ON ALL YOUR ISSUES AND CONCERNS

I have lived in the Ward for around 35 years. The reason for moving here was because I loved the area and the community.

I am divorced and have 3 Dachshunds - Roger (who came 3rd at Crufts in 2010 in the YKC Hounds section), Tilley and Penny. I enjoy taking my dogs for walks, helping and caring for people, sitting in the garden, dressmaking, reading and socialising in the villages.

For around 32 years I have been involved with Parish Councils, acting as Clerk, over that time for Winterton, Somerton and Hemsby.

The past 10 years I have been very privileged and honoured to be a Borough Councillor to serve the parishioners and in May 2010 was re-elected to serve the parishioners for a further 4 years.

With my experience as a Parish Clerk it means I know how and where to go to get results and the Officers at Great Yarmouth Borough Council and Norfolk County Council know me well and I have a good working relationship with them.

I attend the 3 Parish Council meetings so that I am in touch with them and can help in anyway possible.

The Committees I have been appointed to are:

Great Yarmouth Borough Council Overview & Scrutiny Committee

Great Yarmouth Borough Council Audit & Risk Committee

Broads Internal Drainage Board

GY & Suffolk Overview & Scrutiny for Health

Norfolk Overview & Scrutiny for Health and from that Committee:

Observer at GY & Waveney NHS Board meetings

Observer at JPH Board meetings

Norfolk Link - older people's community and health services incl dementia

ME/CFS working group

Autism working group
